

7/30/98

Dear Jeremy,

Thanks for your 7/23 and the enclosed ^{copy} ~~order~~ form. My check herewith.

As I recall my concern, it was not over whether the government could take ~~*~~ the Zapruder film but the question of fairness.

It paid Marlene nothing for the rifle and went to court to keep her from selling it while it allowed the sale of the Ruby weapon.

At the same time taking ^With Paine's records and books and Michael ~~Paine~~'s Paine's ^Minox and keeping all of that and more like it.

Hope you enjoy the new work.

Our best,

Arnold Weisberg
